

April 2023

Welcome to the April edition of the Library and Knowledge Service leaflet bulletin. This issue features some key updates, including the launch of our new library catalogue, and materials relating to men's health. Materials can be downloaded free of charge by clicking on the link in the description.

Unless otherwise stated, materials can be ordered in hard copy from the Library and Knowledge Service at King's Mill Hospital. To place an order, please contact the Service on 01623 622515 Ext 4009 or email us at [library.sfht@nhs.net](mailto:library.sfht@nhs.net). Orders can be sent to GP practices and health centres via internal transport or can be collected from the library.

If you have any questions about any of the materials featured in the bulletin, please contact us.

## NEWS AND UPDATES

### NEW LIBRARY CATALOGUE

We have moved onto a new library management system called Health Libraries Midlands (HeLM). To access a list of all our leaflet titles, go to the [library catalogue](#). Type leaflet collection into the search box and choose **King's Mill Hospital Library (KMH)** from the All libraries drop down list. Click on the search button. A list of all our current leaflet titles will be displayed.

### NEW LOOK CAMPAIGN RESOURCE CENTRE

Public Health England has launched its new look [Campaign Resource Centre](#), with improved design, content and functionality. You can still access the same resources from DHSC, NHS England and UKHSA and your existing login details will work on the new site.

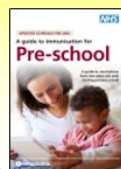

### **UPDATED!** A GUIDE TO IMMUNISATION FOR BABIES UP TO 13 MONTHS OF AGE UKHSA; March 2023

This [leaflet](#) details the vaccinations a baby needs in their first year of life. It is suitable for all GP practices, early years, pre-school and nursery settings.

### **UPDATED!** A GUIDE TO IMMUNISATION FOR PRE-SCHOOL UKHSA; April 2023

This [leaflet](#) details the vaccinations that children need between 2 and 5 years, before they start school.

### **UPDATED!** A GUIDE TO IMMUNISATION FOR YOUNG PEOPLE UKHSA; 2023

This [leaflet](#) explains the HPV, Td/IPV and MenACWY vaccinations given to young people in school years 7 to 13.

### **UPDATED!** IMMUNISATION POSTERS FOR NURSERIES AND SCHOOLS (**DOWNLOAD ONLY**) UKHSA; March 2023

These [posters](#) are aimed at parents and carers to remind them to check that their child is up to date with their vaccinations.

April 2023

## NEWS AND UPDATES CONTINUED...

### COVID-19 SPRING BOOSTER RESOURCES

People aged 75 years and older, residents in care homes for older people, and those aged 5 years and over with a weakened immune system will be offered a booster of COVID-19 vaccine this spring. Leaflets and posters to support the spring booster campaign are available to download and order from the UKHSA [Health Publications Orderline](#). We can also order for you, on request.

### MEASLES OUTBREAK RESOURCES (**DOWNLOAD ONLY**)

**UKHSA, April 2023**  
[Posters and leaflets](#) for use by health professionals and community engagement groups to raise awareness of measles.

## SPOTLIGHT ON: MEN'S HEALTH

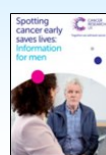

### MEN'S HEALTH WEEK

[Men's Health Week](#) runs from 12<sup>th</sup> – 18<sup>th</sup> June 2023. This year's theme is *Men's health and the internet*. Here we feature some leaflets that are particularly relevant.

**MEN'S HEALTH WEEK  
2023 - JUNE 12-18, 2023  
#MENSHEALTHWEEK  
MEN'S HEALTH AND THE  
INTERNET**

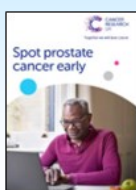

### SPOTTING CANCER EARLY SAVES LIVES: INFORMATION FOR MEN Cancer Research UK

This [leaflet](#) covers cancer symptoms, screening, how to talk to your doctor and the importance of early diagnosis.

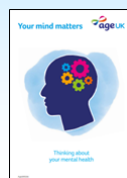

We have many other Cancer Research UK titles in stock, including leaflets on bowel and lung cancer, and being smokefree. Please visit our [library catalogue](#) to view the full range.

### SPOT PROSTATE CANCER EARLY Cancer Research UK, 2022

This [leaflet](#) contains information on how to spot the symptoms of prostate cancer early and reduce your risk.

### YOUR MIND MATTERS Age UK, July 2022

Aimed at older people, this [leaflet](#) covers spotting signs and symptoms, getting help, and what to do if you're worried about someone.

### SPOT SKIN CANCER EARLY Cancer Research UK, 2022

This [leaflet](#) contains information on how to spot the symptoms of skin cancer early and reduce your risk.
